

Wetwall™
— A WILSONART COMPANY —

THE ULTIMATE
WATER-PROOF SURFACE

The Wetwall Water-Proof Wall Panel System gives you everything you need in a bathroom wall, and so much more. Exceptional, room-defining design. Remarkably easy installation. Next-level performance. Whenever design meets water, think Wetwall.

Features & Benefits

FASHION & INSPIRATION

Trend-aware designs coordinate well with popular bath finishes and materials.

PERFORMANCE

Patented, water-proof wall panel system withstands everyday use.

EASY TO INSTALL

Install a refreshed look in as little as 2.5 hours without specialized or dedicated tools.

LOW COST OF OWNERSHIP

Grout-free surface wipes clean with soap and a damp cloth for lasting beauty and easy maintenance.

ANTIMICROBIAL

Antimicrobial Protection is built into the decorative surface of the panels, inhibiting the growth of stain and odor-causing bacteria, mold, and mildew.
